

## **PRE – EVENT PRESS RELEASE**

India Bullion and Jewellers Association Ltd (IBJA) shall be conducting its annual event India International Bullion Summit – 7 (IIBS-7) on 12<sup>th</sup> March, 2022, at Hotel Sahara Star, Mumbai. Last year IBJA completed its 102<sup>th</sup> year and now we are moving on to new century. IBJA as usual has always been responsible association and has always played key role in protecting not only interest of jewellers but also of consumers.

IBJA has successfully got notification of mandatory hallmarking and India Good Delivery from the government. The guidelines for international bullion exchange and Domestic Gold Spot Exchange are also announced by Government. IBJA has been trying hard since last so many years to set up these exchanges and regulatory announcement of these exchanges will transform the entire bullion and Jewellery industry.

The entire focus of this year IIBS shall be on topics which are relevant and related to such announcement. This year's topic includes how international bullion exchange will help Gem & Jewellery Sector, Domestic gold Spot Exchange, Transition to the new generation in family business, gold price outlook for financial year 2022-23, mandatory hallmarking – truths and half-truths & Gold vs. Other Assets class.

Our panellist includes P R Somasundaram from World Gold Council, Ravi Varanasi from National Stock Exchange of India Ltd, Vijay Mantri of JRL Money, and various other expert of bullion and jewellery trade.

Thanking You.
